To whom it may concern;

Par Five Golf Group is a full-service management/consultant company in the golf industry. Founded in 1989, the organization has experience in most aspects of golf course operations. The Par 5 Golf Group owns two golf courses in West Michigan: Lake Doster (Plainwell – www.lakedostergolf.com) and Wallinwood Springs (Jenison – www.wallinwoodspringsgolf.com).

In an effort to increase revenue, we teamed up with Szar communications, LLC to put a few marketing programs together for the 2006 Golf season. We decided on three different customized programs: A VIP Card, a Pre-paid Calling Card, and a Membership card. These three programs cost were around \$1200.00 and we generated about \$9000.00 of additional golf revenue.

We feel with our knowledge of the Golf Industry and an additional marketing resource has helped us put a successful program together. We have decided to continue to work with Szar Communications, LLC and put another successful program(s) together for the 2007 golf season and beyond.

I would recommend any company to customize a program that advertise and show their appreciation to their customers by using Szar Communications Customize Card Program(s).

Sincerely,

Tim Hartson
